

# Fracture Template FAQs

## 1. What are Fracture template features?

- Please check our [Template Info](#) page for all Fracture features in one complete list.

## 2. I don't know how to start with Fracture template. Is there any tutorial to get me started?

- Yes. Please check our [Fracture Tutorials & Guides forum](#).

## 3. Is Fracture compatible for Joomla 1.5?

- No, Fracture is only compatible with Joomla 2.5. The Joomla 2.5 stable has been released out for some months and you should upgrade.

## 4. Can I install RocketLauncher on existing Joomla! website?

- No. RocketLauncher will install both Joomla and the demo sample content and images, so you will need a fresh Joomla! installation.

## 5. I installed Fracture RocketLauncher but the images are different with the demo site.

- As explained at [Fracture Installation](#) page, to avoid image license copyright issue, all sample content images shown in our demo site will be replaced with blank versions in the RocketLauncher version.

## 6. What is Responsive Design?

- Please visit the links below to our blog to learn more about Responsive Design.

## 7. Can I easily port Fracture responsive layout to older templates?

- No. You will need advanced knowledge of template coding to accomplish it and this is beyond of our support scope.

## 8. I like some styles and features of Fracture template. Can I copy and use it to another template?

- Basically No. You would need advance knowledge of html & css to accomplish this. The features from one template can't be easily "copied" to another template. We considered this as customization work and it's beyond of our support scope. If you need some (paid) assistance with customization work, you might want to check [The MarketPlace Forum](#).

## 9. I love Fracture so much. What should I do?

- Thanks for your love and don't forget to say thanks to the team for their hard work [here](#) as well. I am sure, your thanks quote will put a smile on their face.
