

Fresco Template FAQs

1. What are Fresco template features?

- Please check our [Template Info](#) page for all Fresco features in one complete list.

2. I don't know how to start with Fresco template. Is there any tutorial to get me started?

- Yes. Please check our [Fresco Tutorials & Guides forum](#).

3. Is Fresco compatible for Joomla 1.5?

- No, Fresco is only compatible with Joomla 2.5. The Joomla 2.5 stable has been released out for some months and you should upgrade.

4. Can I install RocketLauncher on existing Joomla! website?

- No. RocketLauncher will install both Joomla and the demo sample content and images, so you will need a fresh Joomla! installation.

5. I installed Fresco RocketLauncher but the images are different with the demo site.

- As explained at [Fresco Installation](#) page, to avoid image license copyright issue, all sample content images shown in our demo site will be replaced with blank versions in the RocketLauncher version.

6. Can I change the Fresco template width?

- Fresco is based on Gantry Framework with 960px width. By default, you can't change the width in the template parameter, but if you want to hack the code, you may check [this tutorial](#).

7. What is RokSprocket?

- RokSprocket is a revolutionary new Joomla 2.5 only extension that has been designed to replace a variety of our existing 'content' modules. These include RokStories, RokTabs, RokNewsPager, RokNewsflash, RokMicronews, and basically any module in the RT arsenal that manipulates and displays articles. To learn more about RokSprocket, you may visit [this blog](#), [this magazine](#), or [this page](#).

8. I like some styles and features of Fresco template. Can I copy and use it to another template?

- Basically No. You would need advance knowledge of html & css to accomplish this. The features from one template can't be easily "copied" to another template. We considered this as customization work and it's beyond of our support scope. If you need some (paid) assistance with customization work, you might want to check [The MarketPlace Forum](#).

9. I love Fresco so much. What should I do?

- Thanks for your love and don't forget to say thanks to the team for their hard work [here](#) as well. I am sure, your thanks quote will put a smile on their face.
- Tell your family, friends, and the people around you how you love Fresco so much
- Show your site on our [Members Sites Showcase](#)
- Please spread Fresco on Twitter and share your love to Fresco on Facebook
